

Dear Parents,

Each week we will have a Super Student in our classroom! This is similar to a "Student of the Week." We will be celebrating your child all week long. Here is a schedule of all the activities we will do:

Monday: Please send a poster with 5-7 pictures that will help us get to know your child a little better. The more creative, the better! We will display this poster in our class all week.

Tuesday: Your child will get to explain their poster during our class meeting.

Wednesday: Please send your child with their favorite book to read with the class. I can read the book or you can come in and read the book to the class. Our class loves visitors!

Thursday: Our class will make a special book for your child.

Friday: Please write a short letter addressed to your child. Feel free to express what you think makes them super! The letter will be read in our class meeting that day. I am happy to read it aloud OR you can come read it!

Our Super Student schedule is on the back of this page. Please let me know if the week your child is assigned will not work. I can make changes if needed! I'm excited to get to know each student and learn about their super qualities!

Love,
Mrs. Roddom
